OVERLAND

OVERLAND

ABOUT OVERLAND

01

Guangdong Overland Ceramics was founded in 1999 and located in Foshan. It is a huge Ceramics Tile Company combining the Concept of Design, R&D, Manufacturing & Marketing. We devote to providing "Simple, Fashion, Contemporary Neutral Color Tile" to all the customers.

02

Overland qualify for the International Standard, seek for the Modern aesthetics. It is widely used for the American Stanford University, Japan Osaka Commercial University, Australia David Johns Super Mall, the Staycity Hotel, the United Arab Emirates National Tower Building, The Samsung Building, Shanghai Shangri-La Hotel And other high-end Location in the world.

CONTEMPORARY NEUTRAL COLOR TILES

03

Overland have invested more than 1.1 Billion for the two R&D Base, we already set up the long-term Strategic Cooperation Relationship with the Top 3 Italy Design Company (Techgrafica, Newton, Digital Design). With the High-End technology and R&D ability, we already achieve 29 International Patents, 72 Domestic Patents, and lots of product selected into the China Torch Program.

04

With increasing need of the Simple European Style in China, Overland have been developing rapidly in the domestic in the last few year. As the first one to issue the concept of the "Modern Rustic Tile", Overland became the benchmark of the China Porcelain Industry. In 2015, the "Overland Grey" has rapidly become a best seller both in Domestic and Oversea Market. In 2016 we are the first one to introduce the big size tile concept of "900 x 1800mm", and working full size for the design just like the Italy Manufacturer.
